F2 Series

Domestic or Specialty Coffees use

The compact F2 series models are manufactured from high quality, die-cast aluminium and finished in black, silver or polished chrome. The F2 grinder is an On Demand type, grinding coffee freshly when required, designed to perfectly complement our Piccino domestic espresso machines for home use, or for low volume specialty coffees. The adjustable timer allows easy programming of the pre-set grind time and single or double espresso grind selection. F2 On Demand available in Black, Silver and Chrome.
